**Mikhail Prokhorov, Ksenia Sobchak, Kremlin, Stockholm, Gazprom, Russia, Energie sector, ICC,**

**Gazprom is playing a childish game = they boycott the NL-court.**

Naftogaz Ukraine starts lawcase for Confiscation of Gazprom shares on NL-territory.  
2.6 billion RU-assets in NL.

The Arbitration Institute of the Stockhol Chamber of Commerce Decided that Nafto is entitled to claim Russia money / Gazprom-money.

**Childish Russia:**

**Russia want these type of illegal childisch procedures.**

**A Chamber of Commerce is a Complaint Commission for private parties, No Court of Law.**

Stockholm wants the DictatorshipNL and tries to murder me, because Sweden wants ICC to be a murder-weapon in their hands.

If Ukraine believes that they are entitled to RU-money, they must go to an Official International court of Law; the International Court of Justice in NL.

**The Dutch court who granted Ukraine the billion RU-assests, is clearly a Corrupt Lobby - court.**

**A Dutch court should have ruled:**

**We are not the court Ukraine needs to turn to  
= they need to go to a Swedisch court, A Russian court & ICJ.**

Because an official Decision on behalf of a Sweden Chamber of Commerce Arbitration-commission

has No Legal value in Holland. Its a Decision made be a private Swedisch Lobby-club.

Perhaps the claim on behalf of Ukraine is legitimate, but first an official Court of Law needs to turn the Chamber of Commerce Decision from Sweden into a Swedisch Court-verdict.

Ukraine has to turn to a Swedisch Court of law first; Followed by a Russian court  
And when this failes to The International Court of Justice.

**The Kremlim is wasting money.  
Everybodies money!**

All parties understand very well 'that the case stinks', because neither the Sweden Chamber of Commerce Artibratation Commission nor the NL Rechtspraak.nl have published their Verdicts.

I can't find them!

**All these problems would not be on Earth when the Kremlin would stop misusing my life and ICCLawcaseNL.**

**And set a good example to the World for Evolution.**

The Kremlin only wants to radiate Self-pitty... not bring the World in Evolution of Social Intelligence for Justice for All of Us.
