Dictator DonaldTrump, FBI, America, Embassy,

Dictator DonaldTrump,

As the InterimPrimeMinister DésiréeElisabethStokkel for the USA
from 25september2017 on & Commandor for the FBI,

I did NOT give the command to remove FBI-employee AndrewMcCabe from his labourcontract- 2 days before his retirement.

Trump, you have no legal authority, whatsoever.

Thus?

FBI-employee AndrewMcCabe is not fired from his FBI-labourcontract. He is still a normal employee and he will start his retirement on the date determined in the FBI-contract he signed for the arrangement of this retirement.

Trump, do you want to spend the rest of your rotten life in prison?

FBI,

'I told you so'= you must communicate from my world - my skills, not the world of the Whitehouse.

This AndrewMcCabe disaster would not have taken place, if you would have followed my communication-advice for the FBI-website.

DesireeStokkel
