FIOD, ESA, DictatorMarkrutte, ICC, UN,

Kremlin Putin plans to start a war with Japan over the Kurils & Hokkaido.

**When RU starts to confiscate Japan,
the Netherlands will No Longer participate in the ESA- ICC Space-activities,
as long as Russia is a participant in this system too.**

**The RepublicNL will only co-work with partners in Space,
on the condition that Russia is removed from Space.**

**I have commanded President Abe to leave his office; the same rules for the JP Ambassador
in Holland.**

Against them rules an ICClawcase.

**When Japan has a new President who works with RepublicNL only,
I will give this President the authority to assassinate
Putin - Medvedev - Lavrov.... when they attack Japan.**

**If they don't attack Japan,
I will not give Japan permission to assassinate kremlin-leaders.**

**MikhaikProkhorov & Ksenia Sobchak are officially
the only 2 Kremlin-leaders, in all Legal Frameworks.**

I organized that by ICC-UN-letter.

They can write a Kremlin-decree with which Putin - Medvedev - Lavrov - Shulgin are
being removed from the Kremlin in Russia in Space.
They must forward this decree to ICC-UN - RepublicNL too, in order to make is legally valid.
