FBI, America,

Stop dreaming.

The new FIRRMA + CFIUS market Protection-code

= 100% worthless, when you ignore the ICCLawcase against Trump.

= 100% worthless, when you ignore that legal fact that I have taken over full Legal authority from Trump + UNSG

Each American who designs Business-contract that ignore the ICCLawcase

against Trump + UNSG,

can be blown away into the Fog... by each person on Planet Earth

who does implement the ICCLawcase against Trump.... for selfdefence.

https://home.treasury.gov/sites/default/files/2018-08/The-Foreign-Investment-Risk-Review-Modernization-Act-of-2018-FIRRMA_0.pdf

It takes me 24 - 48 hours to demolish a Business-contract between USA - NL, to the disadvantage of USA.

The only thing I have to do is build me self-defence from the UNCharter + Torture treaty = HR treaties + ICCLawcase file against Trump + Obama + Clinton + EU Juncker + EU Tajani + EU Tusk + Presidents / Embassadors.

I have given you everything you need 'to remove Trump '= call for new Elections for President.

I from my legal position has made this possible for you Americans.

When you don't do what you are suppose to do, you will lose your USA-economy.

Foreign nations + Businesses play games with the USA trusting to be able to use the ICCLawcase against Trump.
