Lawcase against ICC-presidents and ICC-prosecutors

**ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi ,
President Vladimir Putin, President ShinzoAbe, President AungSuuKyi, President
DonaldTrump, King Abdulaziz al Saud,
Vladimir Putin and Dmitry Medvedev, Mark Rutte, Koning Willem-Alexander,**

UN Secretary Antonio Guterres, Rosa Maria,

**I believe that Portugal must withdraw itself from the Statute of Rome, now ICC
proves to be a war-makery. EU soldiers are being killed for all the ICC-lies in useless
wars.**

I need Portugal to open a Criminal Court of Law for me, so I can bring to trial:

- ICC-president Silvia Fernandez de Gurmendi
- ICC-prosecutor Fatou Bensouda
- former ICC-president SangHyunSong
- former ICC-president Phillip Kirsch
- former ICC-prosecutor Luis Moreno Ocampo

ICC-prosecutor Serge Brammertz accepted my file against NL as 'a rightfully started ICC-lawcase against NL'.

I need the listed ICC-personnel to be punished; they are obliged to conduct the Untreaty + torture treaty + humanright treaties. ICC-ersonnel is guilty of organizing warcrimes on victims who start an ICC-lawcase against their national parliament – monarchy – judiciary. They are fine with the fact that in october2016 – again – the NL police tried to lure me into a trap to torture and murder me.

- I want them to be punished with a live in poverty in Portugal: poor housing + job for the poor on a low-salary. For 9 years. I live in this ICC-hel for over 9 years.
- They must be arrested by Portugal. They must leave their assets behind; when they need to sell assets in order to rebalance their financial debts, so it be.

The UN accepts the warcrimes conducted by ICC-personnel.
UN Bankimoon must be put on trial too; he wrote me a letter that proves that he refused to help me turn ICC into a fair court of law.

I sincerely hope that Portugal will stop this ICC-madness.
