Iran, FIOD, FBI, Embassy,

Iran, What are you doing?

The Iran-deal came alive in 2015, because I emailed with Iran about the ICCLawcase NL = I forwarded the NL-Energysector for new Medical Isotope-talks to Iran.

A few weeks ago I instructed Iran: 'Turn the Fashionpolice into the Humanright-police'.

You didn't do this, so USA Dictator DonaldTrump feels free to break away the Iran-deal.

I do doubt **IF the behavior of Trump has anything to do with Iran... at all!**; it can be that Trump is 'pished off with DESTOKKEL'...

Because I hold a Strong Healing Position in Iran. The whole Middle-East.

I started an ICCLawcaseNL against Iran-leaders, now they build DictatorshipNL and have turned ICC into a playground for mass-murderers.

At the cost of the lives of billions of Individuals on Earth.

Iran (Islamic Republic of) Dr Mohammad Javad Zarif Alireza JAHANGIRI President / Head of State Dr. Hassan Rouhani

I - IPM for Iran - want new Politicians in Power in Iran, than the onces I will put in ICC-prison

- if you don't settle the ICCLawcaseNL officially with a payment for the damage with me.

These new Politicians must start an ICJ-lawcase against USA Donald Trump over the Iran-deal.

Trump causes High bureaucracy - & legal costs now the Iran-deal has to be re-negotiated 'for No reasons at all'.

USA Trump must pay Iran for the costs he has created in this Iran-deal, needlessly.

The International Court of Justice = fallen into the hands of the Mafia-NL-Monarchy too.

But this Iran-lawcase over the Iran-deal can put this situation straight.

Give me new President- Elections in Iran for a New President.
Only the President!
Renew the Minister of ForeignAffairs & Embassadro in Thehague, too.

Put a women in the Presidents office, next to the newly elected PM and 'give her an opportunity to learn on the job.. to be come a first Female President for Iran'.

The Humanright - Police should already have been walking on the streets in Iran.

FBI,

You set Dictator DonaldTrump free to break down the USA. Wrong!

**So, I hereby give you a Command.
I have given ScotlandYard in UK the same Command because TMAYlies about Chemical Weapons.
TMAY & co are dangerously MADD.**

FBI, I - IPM for the USA DésiréeElisabethStokkel -

give you the freedom the arrest President DonaldTrump.

If you can't arrest him, you are authorized to assasinate President for the USA DonaldTrump.

**I'd rather see that you arrest him, because I don't want Trump to turn into a hero
on the same platform as former President Kennedy residences
on, in History**

= Kennedy was a Good President, being gunned down by a madd person.

**DonaldTrump is a horrifying President, elected by the people,
due to 100% criminal media, Worldwide.**

**The Time that media-makers & Journalists are
'above the law and are free to manipulate Justice for All of Us into Warzone
,
,
is over.**

Make sure Trump himself reads this email = handcuff him if needed and make him read it ...

FIOD,

I know you are official Police,

but you MAY NOT Assasinate Markrutte of KingWA...

or his DictatorMadam-wife Maxima....

You do may arrest them and bring them to the ICC-prison, if you like.

They are too stupid for an assassination.

Nobody wants to be forced to remember a Deathpenalty on Dictator Markrutte & King WA and Maxima.

FIOD,

DO you realize that the NL-parliament - Monarchy - Judiciary Council have wasted

**as least 1 Billion Euro in Holland alone, on making me fight for my life
- and that of my children - inside ICC?**

And thats only the NL-economy,

When we add the costs of war-makery on top of it, we are talking about 2 Billion Euro's, over a period of 11 years. In Holland.

Financial crisis + Wars would not have been so Heavy, when ICC would have been a Fairly operating Court of Law.

I am thinking

I have promised to give the Settlement & Payment for the Damage I receive from foreign Presidents & co,

'back to the poor people of the nation that finally stopped building DictatorshipNL'.

Perhaps its wiser to open a Foundation within the FIOD for this - on a Trustee bankaccount -.

I do want all the money to be re-invested in 'anything connected to the Humanright-police'.

The whole Administration will be published on a public website, of course.

In some nations this money will be invested for the realisation of HR, via food- education; in other nations it will be an investment in the Healthcare.

I want to hire a Camera-crew, search for people who need the money. Make sure they get the investment. Record the result on Camera .. and sell this TV-show.

So, I can make money.

In this system I can give the FULL Settlement & Payment back to the Lawless -people in a nation, where it belongs. Despite the fact that I have to run the Settlement via ICC- Muncipal - Taxoffice first.

I personally don't need to make a lot of money out of this system = I need to be able to live & work.

I do expect the people working for this Humanright-foundation, to adopt the same attitude.

You know that I want the NL-Taxoffice to use the Evolution of Freedom for Cristalization well.

This HR-foundation can be a part of it.
Discuss it with the newly opened Unit HumanRights-Police, please.

This HR-foundation must be station in Haarlem.
