Russia, Embassy, RepublicNL,

Russia,

When you want to bring - ill - persons from Syria into Holland, you need my written permission.

Now, I am the only person in NL who can make sure that all legal aspects are dealt with correctly.

You did not ask me for permission, what results in the fact that the OPCW will falsify all evidence.

Its about time Russia shows some respect for the UNcharter - HR treaties and a Woman who tries to stop Warcrimes - at the cost of her own life - .

I am fed up with your rotten attitude towards me.

The NL-king costs the Tax-payer over 350 miljoen Euro per year; thats more than Putin costs the Russians.
And, your Russians accept all criminal bullshit produced by this Royal-family?
Are you sure you want to win wars?
