FSB, DictatorMarkrutte.

Its time.

FSB must pass Putin & co and put Prokhorov & Sobchak in the Legal position they are legally entitled too.

Prokhorov & Sobchak have full controle over the Kremlin.
When they recognize the ICCLawcase against Putin & co.

This is good.
Things need to be done.

I want a full 'normal' Trade-program between Russia & NL-EU-UN.

This can only be realized when Putin & co are passed by.

I also want 'a Russian friend or BestFriendForever in Holland'.
Give me a persons 'who teaches my Russian and programs me for the RU-way of life'.

I want you to ignore Putin & co on this point.

Its very important that FSB takes my side, publicly! The evil hidden lobby must be stopped, drastically.

Iam going to break down the NL-parliament, completely. In videos.
There is no other option; we have an increase of shootings in NL = weekly.

So?

Shovel EdwardSnowden in the direction of the poor-Healthcare-system, for ICT-healthcare for the poor.

Arabia has a Healt-checkup Robot in a Shoppingmall;
Russia can put one on the Heathcare-train - in a Healthcare-truck...
Focus on the Healt of kids first, adults will follow.

Don't confuse a treatment against mall-nutrition with other treatments!

Turn Prokhorov & Sobchak in the Kremlin-presidents = Supervisor President Putin & co. Officially, in the eye of the public.

Make the Western- media accept this legal fact!

I really don't minf when Putin drinks tea with his favourite Criminal Friends....
but the Kremlin **must** to be purified.

Forward Putin to Latin-America, once when Prokhorov & Sobchak are anchored as

new Kremlin-presidents-supervisors.

Ksenia can be Kremlin-President after Putin.

I want all Russian-businesses to recognize Prokhorov & Sobchak as Kremlin-supervisors-
President = No Trade-war.

When RU-organisations are being confronted with FAKE sanctions against RU,
these organisations work from the legal truth.

NO more sanction-lawcases anchored in lies!

Its a waste of human life + energy + time + good politics.

Somebody needs to remove the Self-pitty-attitude from Russia-Kremlin.
If Putin & co refuse to stop 'Feeling Sorry for Themselves', the FSB has to make them end their
theaterplay.

I will publish this email on Republiek-Nederland-18nov2016.
Forward it to all Embassies in my name, please.

Its very imortant that Russia stops playing the Classical teasing-game with the West.
