Signapore Brussels, Embassy,

I hardly email SG-Thehague.

As the InterimPrimeMinister for USA + NorthKorea, I am in Legal Charge of the USA - NK top;

the whole program can only exist 'thanks to me DésiréeElisabethStokkel'.

I need you to make clear to both - USA and NK - that at the end of the day

I am in charge of all the Nuclear powerstations in all UN-memberstates,
who keep their President & Ambassador in their labourcontract....
while I started an ICClawcase against these persons for building
DictatorshipNL.

How are we going to fixate the USA - NK relationship, together?

As you know 'Dictator Markrutte & Italian Maffia King WA... try to keep me lawless, so they can continue to Murder & Steel from the Taxoffice... for themselves & Maffia friends....'

A very dangerous situation, because ICC also sabotages the Energy-sector, via the IT-maffia-IT-parliament.

Signapore...

When you are prepared to donate me a plane-ticket + book & pay for the hotel ... or give me a free stay at a police-officer'shome... or so....

.... and you give me some pocket money + you don't complain about my poorly design wardrobe...

I can be present on 12june 2018 in Signapore... and give 1 Speech that will cleanup Earth for ever.

I still own a valid passport.

I Love to fly in a plane!

But, there is also a shortcut into Signapore for me via Thehague, as well.

I can give the 1 Speech at the Embassy of Signapore in Thehague, where you record it... and broadcast it on 12june2018 in Signapore.

In both scenario's we stop the USA - NK madness for once and for all.

Something extra: BREXIT.

Remove TheresaMay + BorisJohnson + DavidDavis + EU Barnier + Tusk + Tajani + Jucker from the EUsystem.

Remove UNSG guteress, who supports the IT-Maffia via King WA & ICC.

There is an ICCLawcaseNL against all of them... They cause BREXIT to be an **UNWORKABLE & expensive HEL on Earth.**

Have you ever tried to put the current BREXIT law into a software-programme!?

The Signapore community is more advanced in the implementation of ICT as we Dutch are...

If you can manage to anchor the Psychopatic-Maddness produced by BREXIT & EU in a software-pakket, will you be so good-hearted to sell it at Bargain-price?

In exchange, I will upgrade the low-intelligent brains of healthcare-workers / psychiatrists in Holland.

And remove all DictatorshipNI boardmembers form their labourcontract.

So you won't lose your assets in the gap between DictatorshipNL & RepublicNL.

I will let you in on a tiny secret = I have given Scotland yard official legal permission to arrest - and if needed - to assasinate TheresaMay... because she lies about the use of Chemical weapons & starts wacrimes to keep these lies alive.

I am the IPM for UK as well.

Which will show a very nice picture in the Future = Princess Meghan will study Dutch... so she can read

all the NL-bullshit in between the lines... This will give her absolute Freedom of Speech and Space to

work as a normal Social Intelligent woman. She will be able to Cleanup the UK-embassy in NL, in the Future.

The EU-future-proof- treaty + Arbitrationcourt-system-treaty run on Earth.
Make USA and NK implement these legal obigations, please.

Okay, I leave you here.

DesireeStokkel
