

SouthKorea, RepublicNL & Co,

SouthKorea, I need you to do something 'Refreshing in Politics'.

Now UNSG = mass-murderer who misuses My Female body - Social Intelligence - ICCLawcaseNL as a tool & cover for his private killings in Holland.... Earth needs a New International Political Policy.

I need you to open an official Fresh Lobby-system:

InterimPrimeMinister Institute for Political Policy. (IPM-IPP)

And you - clever as you are.... ask me

'If I want to become the InterimPrimeMinister for SouthKorea inside the IPM-IPP-construction; untill the day I believe the UN-system is Refreshed for the Younger-generation'.

I don't need a labourcontract; when we ever meet & communicate in SK, IPM-IPP must pay for my hotel - travel costs.

I prefer to prove to Earth 'that we can work from Home... and be effective in Politicis too'.

IPM-IPP shows the Younger-generation 'how to CleanUP politics on National territory', starting from the:

1. **UNcharter**
2. **Torture treaty**
3. **HR treaties**
4. **Arbitration-courtsystem treaty**
5. **EU-future-proof-treaty**

SK must involve NK - Phillipines - other weaker Asian nations in the IPM-IPP system.

All focussed on the Younger-generation.

The idea is that Each Continent will open an IPM-IPP.

Friday, 5jan2018.. I will send to Embassies:

UN Cleanup-program Part 1 / VN Opruim-programma 5jan2018,

put into power by UNSG DésiréeElisabethStokkel IPM NL - USA - RU - JP - NK - IR.

I do want to have my NL-labourcontract IPM from 18nov2016 on and my UNSG labourcontract from 1jan2018 on.

Soon, we will residence in following situation on Earth:

'All Presidents against whom I started an ICCLawcase for the fact that they support Dictatorshp NL, will have left their Office at National territory... and are replaced by New Presidents.

But Dictator Markrutte & co - King WA will stay in their Dictator-role for Ever'. Typical Dutch!

O.

According to the Torture-treaty its forbidden to communicate with NL-Dictators & UNSG guterres.
