United Nations-Secretary General Désirée Elisabeth Stokkel from 1 January 2018 on.
Interim Prime Minister for the Netherlands from 18 November 2016.
IPM for USA from 25 September 2017; Russia – Japan – North Korea – Iran from 23 October 2017 on.

President ICC, Presidents UN member states,

UN Cleanup letter Part 3 / OPRUIMbrief 3

Business-contracts anchored in Torture-treaty = Crisis-free TRADE

I – Interim Prime Minister for NL – RU – USA – JP – NK – IR – Cuba, Désirée Elisabeth Stokkel – in all UN-member states where I have taken over the Power over the Presidency, give the command:

‘Anchor all Business-contracts in the Torture-treaty’.

This implicates that all Organisations who Cleanup TRADE, which is being polluted by the ICC-lobby, have the authority to pass commands – laws – treaties that are put into power by Presidents / Embassadors / Persons against whom I – Désirée Stokkel – started an ICC law case. All Business-contracts which result in conflicts over agreements stand up in court, when a party in the conflict claims the use of the Torture-treaty in the original Business-contract. These Business-contracts have my IPM backbone = I take over the authority of the President of the UN member state in courtroom. TRADE war = history.

All EU- UN sanctions were already lifted in 2017, by deepest myself.

Why this move? USA war criminal President Donald Trump causes Wall Street Stock Exchange to go flat. His new laws + staff-wars at the Whitehouse & FBI cause internationally TRADE-stagnation & more crime. When Wall Street falls into a Financial-hell due to madness-moves with legislation in the USA – or any other UN member state that has to deal with Trumps’ madness- this can trigger a new Financial Crisis, internationally. I don’t want this to happen.
