FBI - Christopher Wray -, Embassies, USA, Fox-it & EcrimePolice, PD@un.org for the removal of UNSG,

Now I am the InterimPrimeMinister for the USA, I can give you

a Command for the National Security of the USA.

Especially now I have taken over the UN from UNSG guterres.

Where stays my profiler?

Do I have to do everything by Myself!?

Oké, wat heb je nodig?

I can't - and don't - want to rewrite all USA-law, singlehandedly.

I do own the authority, but believe me 'you don't want it'.

I have learned by now that Evil persons observe me and think:'What she can, can I do too'.

We will have more complitating-systems.... when I take over all the power, I am entitled too.

And, its forbidden according to the Torture-treaty to communicate with persons against whom I started an ICCLawcase; don't talk with them anymore.

This will cut down on crime, too!

When you gave a Good example, Criminals will become 'Easy talkers'.

What do you need?

I can write you a IPM- bill - Command.... which will survive the USA-courtroom, even in the hands of criminals.

Something else.

Its not good for Earth... when UNSG guterres stays free to communicate with all Evil persons on Earth.

The time that Criminal Presidents & co stay in their labourcontract must be over; the UNsystem must be rebuild for the Super-smart, like ME.

When the UNsystem is build for the Best Hightech - Social Intelligence available for Justice, many Criminal will grow an Inferiority Complex; a part of them will fall still.

The other part will be brainwashed with the new Arbitration-courtsystem, internationally.

I told you: 'Trump is like a Lamb in my hands'.

But you operated too slowly...
