### **FBI, Americans,**

#### **The USA Supremecourt must accept:**

That there is an ICCLawcase against Trump - Obama - Clinton - UNSG guterres.

That in line with the Humanrights treaties, the Standard of Humanrights may not be decreased 'simply for the fun of a politician'.

Meaning: one a HR is granted, a politcian can not remove this right for private gains.

That the Fairtrade-USA-Constitution - put into power by Me - is legally valid.

**The Supremecourt can not decrease the Abortion-rights for women; they can demand a more 'professional attitute by the women towards the abortion'.**

#### **In my personal opinion:**

**A Judge may demand that a woman who is physically healthy, carries & delivers the child... and gives the baby to an Adoption-family.**

#### **The Fairtrade-USA-Constitution works with the Arbitration-court-system.**

**Meaning:**

**All Parties to a conflict are legally obliged to present a Problem-solving Solution for vonflict-einding to the Arbitration-judge.**

**In case of an abortion, all Parties must offer a Solution for the Woman & Child.**
